GOLF HOLIDAYS 2007-2008

BIGWIN ISLAND MUSKOKA, ONTARIO

The Bigwin Island Golf Club has been designed to capture and reflect the spirit and elegance of the original grand resort known as the "Bigwin Inn". The sweeping fairways drape naturally over the rugged Muskoka terrain, exposing glorious lake vistas at every turn and creating a sense of timeless beauty and tranquility.

The course itself is a par 72 championship layout measuring 7,166 yards from the championship tees, but is designed to provide challenge and enjoyment to golfers of all skill levels with a variety of tee locations. They measure 6,742 yards from the blue tees, 6,287 yards from the white tees and 5,346 yards from the red tees. Each nine is a par 36 consisting of two par threes, two par fives and five par fours. Every hole is surrounded by mature hardwoods, creating a sense of maturity and character typically found on the great classic courses built during the early 1900's. The holes are routed in a variety of directions over the undulating island terrain, creating constantly changing shot values, wind directions and challenges.

The greens are relatively generous in size and are gently contoured to provide subtle, yet enjoyable challenges for every golfer. The bunkers provide the Bigwin Island Golf Club much character and 75 are strategically located to provide definition, beauty and challenges to the course design. A local golden silica sand has been placed in the bunkers giving Bigwin a very special feel.

The highlights of the course layout are the 'Look Out' 6th hole (pictured above right) and the spectacular Lakeside Finish on the 18th hole (pictured below right). They have the distinction of having the best par 4 (the 6th) and best par 5 (the 18th) of any course in Canada in a rating by Golf Digest. However, every hole at Bigwin Island Golf Club offers its own unique challenges and spectacular natural beauty.

Accolades abound for this remarkable golf course. In 2005, Canada's National newspaper, the Globe and Mail, ranked it as the #2 course in Canada, whilst Golf Digest said it was the best new course in Canada when it opened in 2003.
