GOLF HOLIDAYS 2007-2008

GALLAGHER'S CANYON KELOWNA, BRITISH COLUMBIA

Gallagher's Canyon Golf & Country Club is located just minutes from downtown Kelowna and Lake Okanagan, the warm arid climate and brilliant sunny days common to this part of the province consistently serve up ideal conditions for exceptional golf.

With a par of 72, the 18-hole championship course was designed by Bill Robinson and Les Furber, two of Canada's best known Golf Architects. At 6,792 yards, the course threads its way through majestic Gallagher's Canyon, delivering glorious views in many places. The 18 holes range from quiet woodland glades to absolute cliff-hangers! Full of challenging fairways, well-protected greens and awe-inspiring vistas throughout the course, you'll marvel at the scenery as you play through tall groves of ponderosa pine and play along the very edge of the picturesque canyon. After your golf, enjoy a refreshment on the patio, which provides an ideal view of the 1st fairway.

The practice and learning facility is one of the finest in the country. It features a double-ended 300 yard driving range with target greens, putting and chipping greens, green side bunkers, fairway traps and an 18 hole putting course. The centre has been designed to enable instruction on every aspect of your game whether in a private lesson or a week-long golf school.

Gallagher's Canyon is known internationally as an impressive test of golf and Score Magazine has ranked it among the best in Canada. It has hosted many top tournaments, events and famous international players. With vineyards and lakeside beaches just minutes away, you'll have plenty to do before or after golf, and a tour of some of the many world class local wineries will create a perfect ending to your golfing day.
