GOLF HOLIDAYS 2007-2008

KELOWNA GOLF & COUNTRY CLUB KELOWNA, BRITISH COLUMBIA

Almost in the heart of Kelowna is one of the City's oldest institutions, the Kelowna Golf and Country Club. Since 1899, when the club was founded, golf has been played by members of KGCC, although the present location of the course was not finalised until 1920. In 1926, the course completed its second nine holes but a completely new layout was designed by the venerable A.V. Macan, and the new 18 holes were opened in 1962.

Nestled amongst the towering Ponderosa Pines, the Country Club is known for its arresting beauty together with consistently fine grooming and has been home to National and International Amateur tournaments through the years. In particular, it has been home to the famous Ogopogo British Columbia Amateur tournament, held here since 1952 and a classic amongst low handicap amateurs.

Measuring 6315 yards with a par of 72 and a slope of 122, visitors constantly say how enjoyable is their round, and Kelowna in its traditional way will reward good shot making and straight driving. This is not a modern golf course, and there are no tricks and trappings of some of the more contemporary courses in fashion these days, but beware of the water which comes into play on 6 holes, for your round can come undone just when you feel you have mastered it.

Whether you choose the Greenside Dining Room, lounge or outdoor deck you are assured of a memorable dining experience. The "Country Club" has a reputation for interesting and creative cuisine and service you would expect from a fine club. The Greenside Dining Room is open nightly Thursdays, Fridays, Saturdays and Sundays. The Clubhouse is open daily for lunch. Although a member's club, visitors are welcome to enjoy the club dining facilities, and the atmosphere is warm and informal.

Located just a few minutes from the Grand Hotel Okanagan, this classic course is a must for your stay in Kelowna.
