LEGENDS ON THE NIAGARA - BATTLEFIELD COURSE NIAGARA FALLS, ONTARIO

Legends on the Niagara is a 45 hole championship golf destination and is owned and operated by the Niagara Parks Commission (NPC), a provincial Crown Agency. NPC's mission is to preserve and enhance the natural beauty of the Falls and Niagara River corridor for the enjoyment of visitors.

Environmental and historical stewardship is paramount to Legends on the Niagara in keeping with NPC's tradition of respect for the importance of lands under its care. Legends on the Niagara has a rich sense of history. The historic site where the Battle of Chippawa (July 5, 1814) took place during the war of 1812 adjoins Legends on the Niagara. This magnificent golf facility was constructed in response of the need to preserve and commemorate this nationally significant historic site.

The North course, appropriately named Battlefield, contains a 19-acre man-made lake that comes into play on no less than 4 holes. And from the thirteenth hole you'll get a view of Niagara Falls in the distance. Golfers of all skill levels will no doubt find this course both beautiful and challenging. Battlefield features generous rolling fairways and greens with 110 large, raised bunkers, but there is good variety of design in the different holes, as the course plays in and out of some dense woodland. Designed by Douglas Carrick, the course plays to 7308 yards with a slope of 134 from the Gold Tees and 6271 Yards with a slope of 126 from the White Tees.

The clubhouse features a very good restaurant with a scenic, panoramic view of the Battlefield Course itself. You can enjoy breakfast, lunch and dinner in the lounge bar, dining room or outside covered terrace. You'll also find exquisite Niagara cuisine featuring Niagara V.Q.A. wines

This is also home to the Jim McLean Golf School, one of the finest of its kind in Canada. "The Firing Range" is a majestic 45-acre, 360 degree practice facility. It features a wide range of bunkered target greens and fairways making it easy to recreate different golf course conditions and make your practice more meaningful. With its stunning natural layout, "The Firing Range" comes with several well-manicured turf tee areas, practice bunkers and chipping areas.
