## GOLF HOLIDAYS 2007-2008

### NICKLAUS NORTH GOLF CLUB WHISTLER, BRITISH COLUMBIA

Nicklaus North Golf Course is situated on the shores of brilliant, emerald coloured Green Lake, just minutes from Whistler Village. With towering mountain views, majestic fir trees and fresh, invigorating mountain air this is the setting that inspired Jack Nicklaus to create a course as unique as himself. It winds along a gentle valley floor offering you a spectacular setting as your golfing skills are tested to the fullest. Just minutes from cobblestone walkways and street-side cafes of the resort town of Whistler, Nicklaus North stands out as one of the great courses in North America. It's no wonder this is only one of a few rare golf courses in the world bearing Jack Nicklaus' name.

Golf Digest awarded Whistler Resort the accolade of #1 Golf destination in Canada, whilst Nicklaus North itself was ranked 9th in Canada by Score magazine and it continues to receive acclaim from around the world. At 6908 yards and a slope of 133 this par 71 course boasts very challenging par threes and distinctive Nicklaus bunkers. Playable from five sets of tees, Nicklaus North offers a memorable experience for golfers of all levels.

Our favourite part of the course are the four spectacular finishing holes, which just might be the best of any Nicklaus design. Holes 15 and 16 are par fours that run adjacent to Green Lake and the 213 yard par three 17th green is located just over the water with a fantastic view down the valley. A score of 4 here is very respectable. The 404 yard 18 hole is handicap index 2 and requires a very good drive just to get within range of the green, again over water, and will present a challenge to all golfers.

The Nicklaus North Clubhouse, an impressive 20,000 square foot facility, is home to an extensively stocked Golf Shop, featuring the latest in golf apparel and equipment, and The Den Restaurant on the Lake. Open daily during the golf season for breakfast, lunch, après or dinner, The Den features a charming dining room, an intimate fireside lounge, a den for meetings, and a 4000 square foot lakeside patio. A few steps from the Valley Trail, The Den is truly one of the world's most idyllic settings to enjoy a superb meal and cold drinks with friends.
