## GOLF HOLIDAYS 2007-2008

### PREDATOR RIDGE VERNON, BRITISH COLUMBIA

Predator Ridge has consistently been ranked as one of the finest golf courses in Canada. Ranked by Score Magazine in Canada's Top 25 for the past 8 years it consistently receives a 4½ star rating from Golf Digest and recently received the award as the Number 1 course in Canada for Customer Service by the Globe and Mail, Canada's national newspaper.

What strikes the visitor as they make their way up the winding road to the course is the outstanding natural beauty of the location, how unusual the vistas and how different it is to any European destination. Rolling hills stretch into the horizon interspersed with grasslands of many colours, and stands of ancient trees. Eagles of every variety call this home and give the course its name. You will truly feel you have experienced the New World when you play Predator.

The 27 holes of golf at Predator Ridge are comprised of three exciting nine hole courses. The Osprey, The Peregrine, and The Red Tail, which range in length from some 2600 yards to over 3500 yards. Each course has its own style and beauty, but make no mistake, there are serious challenges here, with a Slope Rating of 141 and a SS of 74.2 against a par of 72 (when playing Peregrine and Red Tail). However, there are no excuses for not working on your game while at Predator. Blessed with an 11 acre practice facility, a double-ended driving range, weather protected tee areas for lessons, a separate short game and chipping area, putting greens and practice bunkers, you would also do well to utilise the instructors in their Academy of Golf.

The facility also offers an excellent choice of accommodation should you decide to play more than once at Predator Ridge. There are over 50 one, two and three bedroom cottages, over 75 studio, one bedroom and two bedroom suites in the Lodge, many with a full kitchen. A high percentage are right on the golf course, and all are only a short walk to the clubhouse. There are three outdoor pools and hot tubs available to guests. In addition the new Fitness Centre is complete with gym, 25 meter lap pool, hot tub, steam baths and change rooms. And for rest and rejuvenation there is nothing like a stop at the Rituals Aveda Spa.
