SUN RIVERS

KAMLOOPS, BRITISH COLUMBIA

As one of the few "true" desert golf courses in Canada, Sun Rivers is set among natural sage, rolling hills, bent grass fairways, gently contoured greens, and sweeping views of the Thompson Valley. Designed by the renowned Golf Course team of Graham Cooke and Wayne Carleton, the Sun Rivers Golf Course provides a golf experience that is second to none. The entire golf course provides some of the finest golf in the Interior of British Columbia.

The par 72, 7050 yard golf course has a surprising 128 slope rating and 73.4 standard scratch, but definitely provides the ideal setting for golfers of all skill levels to enjoy their game. The course meanders in and around a sparsely populated residential neighbourhood but never feels crowded or unnatural. It offers a challenge to everyone with up to five tee boxes in strategic locations. Sun Rivers features dramatic fairways carved through natural canyons, views of the Thompson river valleys with the ever present back drop of majestic Mounts Peter and Paul.

The golfer can properly prepare for the challenge that lies ahead by taking advantage of the practice facilities which include 2 practice greens, a practice bunker and pitching area along with a fully serviced range that is the home of V1 video analysis at the Sun Rivers School of Golf.

Located just 5 minutes from downtown, Sun Rivers is the perfect choice for any golfer visiting Kamloops.
