## GOLF HOLIDAYS 2007-2008

### FOX HARB'R GOLF RESORT & SPA WALLACE, NOVA SCOTIA

Even the most well travelled golfers will find it hard not to be wowed by the lavishness of Fox Harb'r Golf Resort & Spa.

Situated where the Atlantic Ocean meets the rugged Northumberland shoreline of Nova Scotia members, guests and residents experience pristine golf, breathtaking scenery and warm hospitality at Fox Harb'r.

This exclusive semi-private resort boasts award-winning golf, a sporting lodge featuring skeet shooting and sporting clay, a world-class spa and wellness centre, a private 5000 ft. runway and a deep water marina with secluded beachfront. The resort features a private gated community, *Harb'r Stone Village*, showcasing stylish residences and town houses overlooking the course and ocean for those who desire luxurious resort living.

The golf course is immaculate and the attention to detail is breath taking. Don't be fooled by the generously wide fairways however – you must trust your yardage book otherwise you will be faced with some lengthy putts on the gigantic greens – the 18<sup>th</sup> green is like nothing you will have played before! Birdie chances can quickly become bogey saves if you are on the wrong level!

The highlight of the course is surely hole number 17 which hugs the Northumberland shoreline from tee to green. Negotiate the penultimate hole successfully and there's every chance you can pick up a shot at the par 5 18<sup>th</sup> - providing you are not too greedy off the tee.
