## GOLF HOLIDAYS 2007-2008

### DUNDARAVE GOLF CLUB PRINCE EDWARD ISLAND

This red sandstone 18-hole championship golf course designed by award winning architects Dr. Michael Hurdzan and Dana Fry opened in July of 1999. The course offers an appealing blend of traditional and contemporary architectural designs with some of the most memorable bunkering patterns in all of golf. Expansive fairways are lined with mature pines and birch while the tranquil Brudenell River meanders through some of the most stunning beauty that PEI has to offer.

The newest member of Golf Links PEI, Dundarave is a big, championship course which can play to nearly 7300 yards. Although the fairways tend to allow the ball to run, the wind can make some holes unreachable in par and it is advisable to select a set of tees in line with your handicap.

The finishing holes are really quite spectacular, but very challenging, and numerous bunkers are placed in all areas prone to miss-hits.

One of Dundarave's most striking characteristics is the dark red sand bunkers. High concentrations of iron give PEI sands and soils their dark red hue. Most of the island's courses, including the original layout at Brudenell, have opted for imported white sand in the bunkers. But Hurdzan chose the native red sands, an attractive feature that fits the landscape. Indeed, the course has an average of 7 bunkers per hole, so only the very straightest of hitters will see the round finished without any bunker play.

The natural setting of Dundarave and its proximity to the Canadian Golf Academy will ensure that your golf experience is one that will long be remembered. Golf Digest recently rated Dundarave with 4 stars, saying, "Outstanding, plan your next vacation around it". SCORE Golf Magazine rated Dundarave in the Top 6 Best Golf Resorts in Canada.

Dundarave Golf Course is located adjacent to the Brudenell River Golf Course about a 35 minute drive to Charlottetown.
