GOLF HOLIDAYS 2007-2008

MILL RIVER PRINCE EDWARD ISLAND

Mill River is one of two 18-hole courses on the western end of the island. This mature forest course is the discerning golfer's dream with 18 totally different memories for both the high and low handicap player. Rolling fairways, well bunkered greens, subtle elevation changes and numerous lakes and streams make each hole a new challenge and a pleasure to play.

Measuring 6825 yards from the back tees with a par 72 and a Slope of 132, it is a traditional layout of heavily treed, narrowish fairways with the occasional water carry. It was renovated in 1996 but retained its infamous eighth hole, where the fairway is bisected by a stream that bubbles into a dozen tiny ponds.

Whether the par 3, #3 along the river is to your liking or the entirely redesigned par 4, #18, the many enhancements add a new dimension to the Mill River golf experience. As can be expected you will need to use your entire game as you venture around this parkland setting. One of Prince Edward Island's most popular and affordable playgrounds.

Rated four stars by Golf Digest Places to Play, which raves, "Outstanding, plan your next vacation around it". SCORE Golf Magazine rated Mill River in the Top 3 Best Golf Courses in Atlantic Canada, and the Globe & Mail (Canada's National Newspaper) puts it in its Top 100 Courses in Canada.
