DELTA OCEAN POINTE HOTEL VICTORIA BRITISH COLUMBIA

The Delta Ocean Pointe Hotel is a good 4 star hotel within reasonable walking distance of downtown Victoria's Inner Harbour, and with terrific views of the City and Sea.

The Hotel is classed as a resort as it has a good range of facilities and a very good spa and gym, which also is popular with the local residents, so it is usually quite busy. If you don't fancy the spa experience there is an indoor heated solarium pool & Jacuzzi, dry sauna, indoor squash & racquetball courts and outdoor tennis courts. The hotel also has an outdoor sun terrace.

The hotel offers 239 rooms in an eight-story building with elevators and interior corridors. Premium bedding includes double-sheeted beds with four feather pillows, including two accent pillows. Bathrooms have plush bathrobes, satin hangers, marble vanities, and make-up mirrors. Other amenities include large work desks with high-speed Internet access (surcharge), mini-bars, two phones (one cordless), and CD players. Kitchenettes are available in all room categories at no extra charge (subject to availability). The hotel offers 24-hour room service.

You can unwind after golf and admire the view with your favourite cocktail and choose from a selection of appetizers in Lure's Bar. Lure Seafood Restaurant, which is excellent and receives many awards, offers the finest Canadian cuisine using fresh produce and local ingredients. Relax in its casual atmosphere with floor to ceiling windows offering unparalleled views of the bustling Inner Harbour.

The hotel shuttle is available for those who are not up to the walk into town, but very near the hotel are a number of bars and restaurants in this upcoming ocean side area. There is an excellent Pub called "Spinnakers", just a few minutes from the hotel which offers traditional English Ale brewed on the premises, and which also has a fine restaurant with similar views to the hotel.
